Access code: 145 603 7079

TENTATIVE AGENDA

1. Call the meeting to order.
2. Record attendees.
3. Review the roster.

4. For action:

- a. Approve the minutes.
- b. Review the state standards.

5. Discussion Items

- a. Registered apprenticeship during COVID-19
 - b. Mandatory registration in BASERS, effective July 1, 2021
 - c. Implementing revisions to CFR 29.30
 - d. [Biden Administration Bolsters Registered Apprenticeship](#)
 - e. [National Apprenticeship Act 2021](#)
 - f. [Wisconsin Apprenticeship Completer Report](#)
 - g. Implementing Transition to Trainer and Teaching Transition to Trainer
 - h. Supportive services and OJL reimbursement for registered apprentices
 - i. Applicant outreach campaign and revisions to www.WisconsinApprenticeship.org
 - j. Apprenticeship Completion Award Program
 - k. BAS leadership and personnel changes
 - l. 2021 National Apprenticeship Week
 - m. Other
6. Review the program participants.
 7. Schedule the next meeting.
 8. Adjourn.

Draft Minutes of the
Roofing & Waterproofing
State Apprenticeship Advisory Committee

September 15, 2020
Virtual

Members Present	Employer/Organization
Busalacchi, Chris	Schranz Roofing
Brenner, Nick	Roofers Local 65
Nelson, Taylor	Roofers Local 65
Noffke, Ben	Noffke Roofing
Members Absent	Employer/Organization
Gorman, Travis	Roofers Local 11
Langer, Mark (Co-Chair)	Langer Roofing & Sheet Metal
McNulty, Dennis	Roofers Local 65
Consultants & Guests	Employer/Organization
Badger, Richard	Bureau of Apprenticeship Standards
Emrick, Leigh	Associated Builders & Contractors
Johnson, Joshua	Bureau of Apprenticeship Standards
Kasper, Andrew	Bureau of Apprenticeship Standards
Smith, Owen	Bureau of Apprenticeship Standards

1. The meeting was called to order at 1:03 p.m. by Owen Smith, in conformance with the Wisconsin open meeting laws.
2. A roll call was conducted. A quorum was not present.
3. The committee reviewed the current roster. On the Employer side, a vacancy will be filled by ABC. On the Employee side, BAS will add Taylor Nelson, and labor will replace Alfred Bartowitz, and Dennis McNulty.
4. **Old Business**
 - a. **Review follow-up items from the previous meeting.**
 - i. **For action:** approve the minutes
The minutes were approved as written.

ii. For action: involving non-WI apprenticeship sponsors in state committee meetings

Local 96 is in the process of registering as a Wisconsin Apprenticeship sponsor. The Minnesota local will continue to participate as a consultant until it becomes a sponsor and determines participating regularly is feasible. This topic no longer requires discussion; it will occur with roster updates.

b. Registered apprenticeship during COVID-19

Director Johnson reported that 1,000 less apprentices are registered than this time last year. The most noticeable declines are in the service and utility sectors; construction was affected the least. He noted that the decline more represents the absence of new apprentice contracts than the cancellation of existing contracts.

Director Johnson noted that Bureau staff have been working from through since March and will continue through 2020. He thanked all attendees for their organizations' support for virtual meetings and continuing business as usual, to the extent possible.

Attendees did not have questions or comments.

c. Implementing revisions to CFR 29.30

Director Johnson reported the Bureau's current efforts to implement CFR 29.30. The Bureau continues to update the Wisconsin Apprenticeship Manual with laws that were passed since the manual was last revised, such as CFR 29.30. The Bureau drafted the new discrimination and harassment complaint form and disability disclosure form for apprentices and revised the quality assessment for all sponsors.

The discrimination form and quality assessment form will be reviewed by the WI Apprenticeship Advisory Council at its year-end meeting. The disability disclosure form has been in circulation for the past few months and the response rate has been high.

Attendees did not have questions or comments.

d. Federal grants to expand registered apprenticeship

Director Johnson reported that the WAGE\$ grant concluded in September. The Bureau met most of its goals with exception of enrollment in some new occupations, which is not a surprise because enrollment in new occupations grows slowly.

The first and second rounds of the state expansion grant expire on October 30. Round two includes reimbursements to sponsors that hire underrepresented populations and graduates of certified pre-apprenticeship programs; the reimbursements cover certain costs of on-the-job learning.

Reimbursements will be issued on a first come, first served basis. The related policies are pending approval of the Department of Administration populations.

The Bureau received a fourth round of federal grant funding, totaling \$9 million. The grant goals include the following: register 3,000 new apprentices; increase underrepresented populations in registered apprenticeship; align related instruction for specific registered apprenticeships with curriculum in technical diploma and associate degree programs; incentivize sponsoring registered apprentices; fund an extensive, applicant-focused outreach campaign; and hire an Apprenticeship Navigator for the northeast and four new Apprenticeship Training Representatives for specific sectors, excluding construction.

Director Johnson noted that he was excited that the Department of Labor awarded the grant to the Bureau after the retirement of former director, Karen Morgan. He considered the grant a sign of faith in

his leadership. Forty-two states received a base of \$450,000, and only eight states received more than \$8 million.

Attendees did not have questions or comments.

e. Industry-Recognized Apprenticeship Programs (IRAPs)

Director Johnson reported that IRAPs were implemented this year and the standards recognition entities, or approving bodies, were announced on the Department of Labor website this September. The Bureau, with the support of the WI Department of Workforce Development, maintains it will not approve IRAPs in Wisconsin. Instead, the Bureau will offer flexible registered apprenticeships.

Attendees did not have questions or comments.

f. Applicant outreach campaign and revisions to www.WisconsinApprenticeship.org

Director Johnson reported that the applicant outreach campaign to be funded by the new federal grant will include a complete redesign of the Bureau website. The new website will look and function like a business website, not a government website, and be much more user-friendly to career seekers, potential sponsors, and current sponsors and apprentices.

Attendees did not have questions or comments.

g. Apprenticeship Completion Award Program

Director Johnson reviewed the most recent reimbursement statistics. He reiterated that ACAP has continued to be a clear example of bipartisan support for registered apprenticeship for several years.

Attendees did not have questions or comments.

h. Other

Attendees did not have questions or comments.

5. New Business

a. Mandatory registration in BASERS

Director Johnson reported that he has proposed that all current and future sponsors must register in and perform contract actions through BASERS as of July 1, 2021. Sponsors that do not comply will not be permitted to register new apprentices. He will discuss the proposal with the WI Apprenticeship Advisory Council at its upcoming meeting. The objective of the proposal is to position BASERS as the central contract and communication portal between the Bureau and all sponsors, now and in the future.

The state committee voiced support for BASERS; all local committees have registered and perform all contract actions through it.

b. For action: revising state standards, including applicant assessment requirements, ASVAB

Mr. Smith reported that all state committees will review their state standards throughout 2021 to ensure all recent legislative and policy updates have been incorporated and all content is current. State construction committees will also review their applicant assessment requirements

The state committee reported that it prefers to continue leaving all applicant assessment requirements to the discretion of the local committees because they use different assessments.

Mr. Smith reported that several state construction committees asked the Bureau to research whether the Armed Services Vocational Aptitude Battery would be a feasible alternative for veterans, in lieu of the local assessments. Mr. Smith reported, however, that the ASVAB is a categorically different assessment than the Accuplacer and ACT and is not used by the Wisconsin Technical College System. Therefore, if implemented, it would create unequal requirements for veterans and civilian applicant.

Mr. Smith asked attendees whether they prefer the Bureau research the topic further.

Some state committee members favored direct entry for veterans and stated the ASVAB would help facilitate that; veterans might view additional assessments as arbitrary. Mr. Gorchman will forward the direct entry language from the federal apprenticeship.

c. 2020 Meeting of National Association of State and Territorial Apprenticeship Directors

Director Johnson reported that the NASTAS Conference will be held virtually throughout the week of September 29.

Attendees did not have questions or comments.

d. 2020 National Apprenticeship Week

Director Johnson reported that National Apprenticeship Week will occur the week of November 8. Sponsors and stakeholders are encouraged to host virtual events and provide the access information to the Bureau for inclusion on the master calendar.

Attendees did not have questions or comments.

e. 2021 Biennial Apprenticeship Conference

Director Johnson reported that he and the WI Apprenticeship Advisory Council voted to postpone the conference until the spring of 2022 due to COVID-19.

Attendees did not have questions or comments.

f. Revising Transition to Trainer and Teaching Transition to Trainer

Director Johnson reported that the Wisconsin Technical College System is revising both courses to align them with current training needs, remove outdated content, enhance their delivery online, and broaden the pool of potential instructors. The project is scheduled to finish by the end of the year; the courses are projected to be implemented in early 2021.

Attendees did not have questions or comments.

g. BAS leadership and personnel changes

Director Johnson reported several personnel changes: ATR Chris Landreman accepted a new position with DWD Job Service; Darla Burton from youth apprenticeship accepted a new position; and Liz Pusch is the new BAS section chief. The Bureau will hire six new positions through its recent grant award.

Attendees did not have questions or comments.

h. Other

Attendees did not have questions or comments.

6. WTCS Update

No WTCS representative was present. Mr. Smith encouraged attendees to review the written summary.

7. Review the program participants.

Program participants included 79 apprentices and 17 employers with contracts active or unassigned on September 1, 2020.

Director Johnson applauded the high percentages of women and minority apprentices; the percentages are well above the state averages. He encouraged the state committee to inform the Bureau how it can help increase the percentages further.

8. The committee agreed to schedule its next meeting via online survey.

9. The meeting adjourned at 11:15 a.m.

Submitted by Owen Smith, Program & Policy Analyst

Looking ahead...

- DWD-BAS will be reorganizing instructional program groups into new industry sectors: currently Construction, Industrial, and Service. This will at some point affect future version of the report, which WTCS will adapt to match DWD-BAS guidelines.
- Please keep WTCS in mind if you have captured apprenticeship-related imagery, especially regarding new apprenticeship programs and those featuring demographic minorities.
- Contact: nancy.nakkoul@wtcsystem.edu or dan.arneson@wtcsystem.edu

6

Distribution

- WTCS will be distributing a web link in lieu of printing a physical report this year, please bookmark and share widely the link to the electronic version of the most recent Apprenticeship Completion report, which again demonstrates strong outcomes and the value of Wisconsin's earn-while-you-learn apprenticeship model to individuals and employers. The link will be distributed to the following:
 - DWD - Bureau of Apprenticeship Standards
 - Wisconsin Apprenticeship Advisory Council
 - State Trade Committees (Apprenticeship Advisory)
 - WTCS Board Members
 - WTCS Apprenticeship Coordinators
 - College Marketing Teams
 - WI High Schools - Counselors

March 1, 2021

Dear Apprenticeship Sponsor:

Last summer, our agency advised you via letter that within one year, by July 1, 2021, all apprenticeship sponsors will be required to register in the Bureau of Apprenticeship Standards Electronic Registration System (BASERS) and use the interface to enroll incoming apprentices. At its February 9, 2021 meeting, the Wisconsin Apprenticeship Advisory Council affirmed its support for our agency's BASERS policy and the July 1 deadline.

Sponsors who have not yet registered in BASERS, or those who need further assistance using the platform, should contact their Apprenticeship Training Representative promptly. The ATRs can provide the necessary technical assistance to meet the July 1, 2021 deadline.

BASERS is an intuitive, self-service website for sponsors developed as part of a national initiative toward registered apprenticeship expansion and modernization. The ongoing COVID-19 pandemic has only underscored the benefits of conducting business through a virtual system like BASERS, which connects stakeholders across the state without the need for face-to-face contact.

The benefits of BASERS, once a sponsor has registered, are as follows:

- Faster creation and approval of contracts;
- Increased access to information about a sponsor's own program;
- The capacity to initiate and track contract actions such as cancellations, work assignments, and completions;
- The ability to ensure records are accurate before finalization.

Thank you for your continued support of Wisconsin Apprenticeship.

Sincerely,

Joshua A. Johnson, State Director
Wisconsin Apprenticeship

February 24, 2021

Dear Apprenticeship Employers:

The [link](#) is now live to access information on applying for on-the-job learning reimbursements through Wisconsin Apprenticeship grant funds. Follow the instructions offered in the [link](#) and review the information in this email regarding eligibility. The deadline for submitting questions regarding this announcement is March 5th at 2 p.m. CST. Awards may be made as soon as March 15th. Applications will be reviewed in the order in which they are received. Questions can be sent to our grants mailbox at dwddetgrants@dwd.wisconsin.gov.

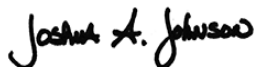

The on-the-job learning reimbursements are part of a Wisconsin grant initiative, using federal grant funds, to help defray the extraordinary costs of training apprentices. Employers may be eligible for up to a \$1,000 reimbursement for each apprentice that they hired between July 1, 2019 and January 30, 2021, as long as the apprentice meets one of the following criteria:

- The apprentice previously completed a Wisconsin Youth Apprenticeship program in any career cluster; or
- The apprentice previously completed a state certified pre-apprenticeship program in any job sector. A detailed list of Wisconsin certified pre-apprenticeship programs can be found [here](#); or
- The apprentice was hired to work in the IT, Healthcare, Bio-Tech, Transportation, Agriculture or Financial Services sectors.

Employers may only receive one on-the-job learning reimbursement per apprentice that meets the qualifying criteria and cannot request reimbursement for the same apprentice more than once.

Thank you for being valued Wisconsin apprenticeship employers and sponsors.

Sincerely,

Joshua Johnson, State Director
Wisconsin Apprenticeship

Dear Wisconsin Apprentices:

Wisconsin Apprenticeship has federal grant funds available to provide supportive services to registered apprentices. Up to \$600 may be available to each Wisconsin registered apprentice to assist with the following apprenticeship-related costs:

- Uniforms or work clothing
- Tools
- Required physicals
- Books
- Test fees
- Mileage
- Bus passes
- Parking permits
- Childcare
- Rent & housing costs

Apprentices who began their apprenticeship between July 1, 2019 and March 31, 2022 are eligible. Reimbursements will be awarded to applicants through March 31, 2022, or until the funding runs out. Apprentices must contact the following organizations, according to location, to determine if they qualify:

**Milwaukee, Racine, Kenosha, Walworth,
Washington, Waukesha and Ozaukee
counties**

Employ Milwaukee
Jose Galvan
Jose.galvan@employmilwaukee.org

WTCS System-Wide Activity Update February 2021

2021 WTCS-BAS Apprenticeship Completion Report

The 2021 WTCS-BAS Apprenticeship Completer Report is now available online. The report contains employment, wage and training satisfaction outcomes for apprentices completing their programs in 2018-19. It can be found here: [2021 WTCS-BAS Apprentice Completer Report](#)

- Of the 1,195 completers surveyed, 365 (31%) responded. In the prior year report, 1143 completers were surveyed and response rate was 43%.
- Respondents reported a 95% satisfaction rate for on-the-job training and 97% for classroom instruction.
- Median salary across all trades increased to \$81,072, an increase of approximately \$800 more than the prior year.
- Respondents indicating an interest in continuing education beyond apprenticeship decreased from 44% last year to 35% this year.

MyWTCS Website Re-Design and Launch: New Apprenticeship Resources for [Preparing to Teach Transition to Trainer \(PT2TT2T\)](#)

MyWTCS is an intranet site for the Wisconsin Technical College System and stakeholders. Launched in February 2021, the newly re-designed site includes a new look and improved functionality and features, including additional apprenticeship resources such as the administrative guidance and teacher trainer course offerings for the Transition to Trainer course. The site can be found at: <https://mywtcs.wtcsystem.edu/>

New Proactive Approach to Revisions of Apprenticeship Related Instruction offered through the WTCS

Starting in 2021, the WTCS and BAS have adopted a 5-year cycle revision framework for all systemwide apprenticeship curriculum where related instruction is offered at more than one WTCS college. Approximately sixty systemwide apprenticeship programs have a documented curriculum standard model that will form the foundation for review of program and course outcomes and competencies. Apprenticeship faculty, industry sponsors and State Apprenticeship Trade Advisory Committees will be engaged in the review process. This proactive approach will ensure that learning remains current with industry needs and technological advancements. Program assignment within the 5-year cycle will remain fluid.
