#### **Meeting Agenda**

- |                         |   |
|-------------------------|---|
| <b>9:00 – 9:10 am</b>   | <b>Call to Order, Welcome, and Introductions</b>  |
| <b>9:10 – 9:15 am</b>   | <b>Review and Approval of Past Minutes</b><br>April 2025 minutes  |
| <b>9:15 – 10:15 am</b>  | <b>Presentation: Wisconsin's Implementation of the MNADV Lethality Assessment Program 2.0</b><br><b>Courtney Olson and Jessica Honish, Rainbow House, Marinette</b><br>Since October 2024, the leadership team from Rainbow House has served as the Wisconsin statewide coordinators for the Lethality Assessment Program (LAP 2.0). The Lethality Assessment Program (LAP) Maryland Model is a multi-prong validated tool used to assess the level of danger in an intimate partner relationship. This is used by first responders to assess the level of danger and trigger the LAP protocol. Survivors identified as being identified as high-risk are connected with their local domestic violence service provider from the scene of an incident. This warm introduction facilitates safety planning, emergency services, and resources of trained advocates. First implemented in WI in 2017, LAP 2.0 has been updated to place greater emphasis on the risk-factor of strangulation, to introduce technology improvements, & to connect with nationally recognized academic research partners in further understanding outcomes for survivors. |
| <b>10:15 – 10:30 am</b> | <b>Break</b>  |
