

**Approved Minutes of the
Carpentry
State Apprenticeship Advisory Committee**

March 24, 2020
Webinar

Members Present	Organization/Employer
Adamavich, Michael	NCSRCC
Bialcik, Corey	NCSRCC
Macejkovic, Jim	Building Service, Inc.
Rodriguez, Pat (Co-Chair)	NCSRCC
Schmidt, Mark	C.G. Schmidt
Schwengels, Joe	J.P. Cullen & Sons, Inc.
Strub, Matt	Fowler & Hammer
Zacharias, Roger	NCSRCC
Members Absent	Organization/Employer
Basten, Rob	NCSRCC
Coates, Shaun	NCSRCC
Scholz, Barry (Co-Chair)	Associated General Contractors
Consultants & Guests	Organization/Employer
Badger, Richard	Bureau of Apprenticeship Standards
Emrick, Leigh	Associated Builders & Contractors
Melissa from Carpenters	
Giese, Rob	NCSRCC
Horvath, Steve	Moraine Park Technical College
Johnson, Joshua	Bureau of Apprenticeship Standards
Kasper, Andrew	Bureau of Apprenticeship Standards
Kendhammer, Melissa	Bureau of Apprenticeship Standards
Mayek, Mandy	Mid-State Technical College
Myles, Tommy	Bureau of Apprenticeship Standards
Neddef, Brandon	Carpentry Training Institute
Smith, Owen	Bureau of Apprenticeship Standards
Tourdot, Kelly	Associated Builders & Contractors

1. The meeting was called to order at 10:05 a.m. by Co-Chair Pat Rodriguez, in conformance with the Wisconsin open meeting laws.
2. A roll call was conducted. A quorum was present.
3. The committee reviewed the current roster. No revisions or updates were needed. One employer seat will be filled by a representative of Associated Builders & Contractors.

4. **Old Business**

a. **Follow-up items from previous meeting**

i. **For action: approve the minutes**

The minutes were approved as revised: the meeting was held at ABC and Leigh Emrick was present.

ii. **For action: assessing applicants using Accuplacer Next Generation**

Both local committees that assess applicants with Accuplacer Next Generation agreed that the scores are working well. The local committees noted, though, that they have future concerns about how to administer the test due to COVID-19.

iii. **For action: assessing applicants using Armed Services Vocational Aptitude Battery**

The state committee agreed it preferred to accept ASVAB scores from applicants. The Bureau will research a crosswalk and timeframe in which scores would be valid this summer. The Bureau will present a recommendation at the fall meeting.

b. **Implementing revisions to CFR 29.30**

Mr. Kasper updated attendees on the Bureau's progress:

- The Bureau's overall approach is to educate and assist sponsors, not punish them.
- BAS plans to meet with sponsors this spring and summer to discuss diversity and inclusivity activities and expectations. Those meetings will likely be held via webinar.
- BAS updated the apprentice application to include the opportunity to disclose disabilities.
- BAS is updating its policy and procedures manual, too.
- More information on the revisions, including links to the law and the anti-harassment video provided by the U.S. Department of Labor, is available on the Bureau website.
- Sponsors should email their questions to Mr. Kasper.

The state committee asked whether local committees will be audited by the Bureau of the U.S. Department of Labor. Mr. Kasper replied that compliance reviews will be conducted by BAS. He reiterated that the Bureau will not punish sponsors for findings but will provide technical assistance and check progress later. Sponsors will need time to learn the revisions and incorporate them.

c. **Industry-Recognized Apprenticeship Programs**

Director Johnson reported that IRAPs have been implemented nationally and the construction sector was not included. The Bureau, as the approving agency of all apprenticeships in Wisconsin, will deny IRAPs in Wisconsin and instead discuss flexible options available through registered apprenticeship. More information is likely to come, so the Bureau will keep the state committees informed.

Attendees did not have questions or comments.

d. **Federal grants to expand registered apprenticeship**

The Bureau has three active federal grants. The first, WAGE\$, is proceeding well. The Bureau anticipates meeting all over its targets except total number of apprentices in new occupations, which is not a surprise because the first programs in new sectors grow slowly at first.

The second and third grants—the State Apprenticeship Expansion (SAE) grant and the Apprenticeship State Expansion (ASE) grant—will help integrate registered apprenticeship into the workforce system. Through the SAE grant, the Bureau will reimburse sponsors for hiring graduates of certified pre-apprenticeship programs. Through the ASE grant, the Bureau funded two full-time Apprenticeship Navigators in the Milwaukee area. The Navigators will connect registered apprenticeship sponsors with the workforce community—WIOA certified individuals, youth apprenticeships, certified pre-apprenticeships, offenders—and will reimburse registered apprenticeship sponsors for certain costs of on-the-job learning.

The state committee asked for the Navigators' contact information. Director Johnson replied that it will be available on the BAS website. The Navigators posted their contact information in the chat.

The state committee asked whether the Navigators will cover the entire state or only the southeast quadrant. Director Johnson replied that he is piloting the Navigator positions in the southeastern quadrant because it is the most populated area of the state and his long-term goal is to have Navigators work across the entire state.

e. Revisions to www.WisconsinApprenticeship.org

Director Johnson reported that the Bureau received permission from the Department of Workforce Development to re-revise its website to look and function differently than the DWD template. The request was influenced by claims from featured sponsors that the recent redesign made their contact information more challenging to access. The Bureau will revise the site this summer.

f. Apprenticeship Completion Award Program (ACAP)

Director Johnson reported that ACAP continues to be a strong example of bipartisan support for registered apprenticeship. He reviewed the most recent totals and noted that the denied reimbursements will always be greater than awarded reimbursements because the maximum reimbursement is 25% of total costs or \$1,000, whichever comes first.

He shared that the Bureau is further automating its ACAP processing system to eliminate opportunities for errors. The Department will request including ACAP in the next biennial budget.

Attendees did not have questions or comments.

g. Other

Attendees did not have additional topics.

5. New Business

a. Lessons learned from DWD tour of Germany Apprenticeship Program

Director Johnson reported that he, Secretary Frostman, and several WI Apprenticeship stakeholders visited Germany to tour the Germany Apprenticeship Program. He stated the visit was invaluable in learning how WI Apprenticeship could improve and how it works very well already, within the context of U.S. society.

He noted several key take-aways:

- Apprenticeship in Germany is a socio-economic institution. Many, many industries and

occupations train workers through registered apprenticeship, and students qualified for apprenticeships are tracked as early as fourth grade. These dynamics are possible due to greater government involvement in industries and the K-12 institutions.

- Similarly, apprenticeship in Germany focuses almost exclusively on preparing students and youth; apprenticeship is rarely used by adults to change careers because they would be far behind the skill level of youth. In contrast, Wisconsin Apprenticeship focuses mostly on helping adults prepare for careers and Wisconsin Youth Apprenticeship focuses on broadly exposing participants to a career cluster or industry rather than prepare them in-depth for an occupation.
- WI Apprenticeship works very well within the contexts of U.S. society. Involving K-12 students in career and technical education is very important. Although the U.S. secondary school system would not accept "tracking" students early, students are now required to begin "academic career planning" in middle school. Therefore, the most feasible means of strategically positioning Wisconsin Apprenticeship in the K-12 system is to have it included as an option within academic career planning. Middle-school students could then prepare by taking the necessary academic subjects, such as math and science, and then pursue youth apprenticeship in high school.

Attendees did not have questions or comments.

b. 2021 Biennial Apprenticeship Conference

Director Johnson reported that the conference will be held February 22-24, 2021, at the Wilderness Hotel in the Wisconsin Dells. The planning team has begun meeting. The specific theme, workshops, and speakers are under discussion, but the primary focus will be that apprenticeship is for everyone, e.g. every sector, worker, student, partner, etc.

The Apprenticeship Expo will be included. By summer the Bureau will launch the registration page via EventBrite and mail a save-the-date notice.

The state committee recommended the Bureau invite Sisters in the Trades to present on diversity and inclusion in construction occupations. Director Johnson welcomed the suggestion.

c. 2020 National Apprenticeship Week

The 2020 National Apprenticeship Week was not yet announced nationally, so the Bureau will observe Wisconsin Apprenticeship Week the week of November 8-14.

Attendees did not have questions or comments.

d. Revising Transition to Trainer

Director Johnson reported that the Bureau, Wisconsin Technical College System, and Worldwide Instructional Design System have begun revising "Transition to Trainer." The revisions will make the course more accessible to non-traditional apprenticeship occupations, update terminology and learning activities, and introduce on-line delivery of specific modules. The project is lead by WTCS and includes an industry focus group of trainers from traditional and new sectors.

Attendees did not have questions or comments.

e. BAS leadership and personnel changes

Director Johnson thanked attendees for their letters of support for his acceptance as Bureau Director. He emphasized that his vision is to innovate registered apprenticeship by integrating it further with certified pre-apprenticeship, youth apprenticeship, technical diplomas, and more.

Additional personnel changes include the following:

- Tommy Myles, Apprenticeship Navigator
- Dawn Pratt, Apprenticeship Navigator
- Milton Rogers, Apprenticeship Training Representative for Madison
- Corey Popp, Apprenticeship Training Representative for Madison
- Melissa Kendhammer, Apprenticeship Training Representative for La Crosse
- Chris Landerman, Apprenticeship Training Representative for Appleton

Attendees did not have questions or comments.

f. Other

i. Related instruction during COVID-19

Director Johnson thanked attendees for their flexibility in meeting via webinar. He emphasized that COVID-19 is an unprecedented occurrence, so the Bureau fully supports sponsors and technical colleges in proceeding at their discretion in a manner that they deem safe. The Bureau requests only that sponsors and technical colleges ensure that apprentices eventually receive the proper instruction so they can complete the program.

The state committee voiced support for technical colleges' and sponsors' discretion in providing a safe learning environment. Some schools have closed for safety and moved all instruction online; some small, independent training centers continue to operate in-person but with social distance and cleaning precautions.

The state committee asked how sponsors should pay for homework and online classtime and expressed concern that some apprentices may not have access to computers and wi-fi necessary for online learning. Director Johnson replied that the hours of related instruction on the contract apply whether delivered in-person or online; homework is not included in the hours and not paid, whether done in-person or online. Technical colleges and training centers have the discretion to address logistical difficulties at their discretion.

ii. Lead abatement training opportunity through WI Dept. of Health Services.

Mr. Owen Smith reported that the WI Dept. of Health Services will reimburse training centers for lead abatement training for apprentices and journey workers through its Lead Safe Homes program. He asked representatives of local committees and training centers if they would be interested in learning more. He is informally gauging interest during the state committee season and will email an official letter, background information, and interest survey in May.

Several local committees replied that they are familiar with the training and expressed interest in learning more. One training coordinator asked if DHS would reimburse train-the-trainer sessions. Mr. Smith replied that he will discuss that option with DHS.

6. WTCS Update

Ms. Nancy Nakkoul reiterated that technical colleges have been moving instruction to online delivery in response to COVID-19. She thanked the Bureau and sponsors for their support.

Ms. Nakkoul reported the following items:

- The WTCS Apprenticeship Completer Report is now online. The response rate increased to 43%; the median salary increased to \$80,344; and respondents reported 92% satisfaction with on-the-job learning and 96% satisfaction with related instruction. The report now includes data on apprenticeships in new sectors, although the data is limited. The WTCS is researching methods to account for differences in over-time in the salary reporting.

- Unduplicated enrollment in apprenticeship programs increased by 9.9% from the prior year.
- The master chart of all apprenticeships with related instruction via technical colleges is now available online.

7. Review the program participants.

Program participants included 1,321 apprentices and 227 employers with contracts active or unassigned on March 13, 2020.

Attendees did not have questions or comments.

8. The Bureau will schedule the next meeting via online survey.
9. The meeting adjourned at 12:05 p.m.

TENTATIVE AGENDA

1. Call the meeting to order.
2. Introduce attendees.
3. Review the current roster.

4. Old Business

- a. Review items from the previous meeting:
 - i. **For action:** approve the minutes
 - ii. **For action:** assessing applicants using Accuplacer Next Generation
 - iii. **For action:** assessing applicants using Armed Services Vocational Aptitude Battery
- b. Implementing revisions to CFR 29.30
- c. Industry-Recognized Apprenticeship Programs
- d. Federal grants to expand registered apprenticeship
- e. Revisions to www.WisconsinApprenticeship.org
- f. Apprenticeship Completion Award Program (ACAP)
- g. Other

5. New Business

- a. Lessons learned from DWD tour of Germany Apprenticeship Program
- b. 2021 Biennial Apprenticeship Conference
- c. 2020 National Apprenticeship Week
- d. Revising Transition to Trainer
- e. BAS leadership and personnel changes
- f. Other

6. WTCS update
7. Review the program participants.
8. Schedule the next meeting.
9. Adjourn.

WAGE\$ Apprentices and Sponsors by Occupation Spring 2020 Committee Update

The Wisconsin Apprenticeship Growth and Expansion Strategies (WAGE\$) grant is a 5-year, \$5 million grant from the US Department of Labor. The purpose is to expand Registered Apprenticeship in Advanced Manufacturing and develop new programs in Information Technology and Health Care. The grant started October 1, 2015, and will conclude September 30, 2020.

- The overarching goal is 1,000 apprentices in the occupations selected for grant support.
- The table below shows the number of apprentices and sponsors in each occupation.
- Community Health Worker and Cybersecurity Specialist are in development.
- Pharmacy Technician was recently completed.
- Data Analyst has four apprentices that are being counted by Employ Milwaukee, Inc.'s sister grant. There is one Data Analyst sponsor.

WAGE\$ Apprentices by Occupation Cumulative 10/01/2015 - 03/08/2020 <small>This report includes apprentice contract records which, during the selected report period, match the following criteria: CONTRACT DISTRICT= ALL, CONTRACT SECTOR= ALL, CONTRACT TRADE=Industrial Manufacturing Technician;Maintenance Technician;Mechatronics Technician;Welder - Fabricator;Welder / Automated Welding;Software Developer;Pharmacy Technician, Retail Store;Medical Assistant;IT Service Desk Technician;Data Analyst;Broadband Service Technician;Cybersecurity Analyst, CONTRACT TYPE(s)=Apprentice, APPR SEX= ALL, APPR MINORITY= ALL, APPR RACE(s)= ALL, ER WDA= ALL, ER COUNTY= ALL, ER NAME= ALL, ER UI= ALL, INMATE= ALL, SCHOOL NAME= ALL, SPONSOR TYPE(s)= ALL, SPONSOR NAME(s)= ALL, TRANSFER TO= ALL, TRANSFER FROM= ALL</small>				
Occupation Name	Count Sponsors	Count App	Female	Minority
Report Total:	Total 205 sponsors	633	63 (10%)	99 (16%)

WTCS System-Wide Activity Update March 2020

WTCS-BAS 20 Apprenticeship Completion Report

The 2020 WTCS-BAS Apprenticeship Completer Report is now available online. The report contains employment, wage and training satisfaction outcomes for apprentices completing their programs in 2016-17. It can be found here: [2020 WTCS-BAS Apprentice Completer Report](#)

- Of the 1,143 completers surveyed, 488 (43%) responded. (In the prior year report, 847 completers were surveyed and response rate was 39%.)
- Respondents reported a 92% satisfaction rate for on-the-job training and 96% for classroom instruction.
- Median salary across all trades increased to \$80,344. This is up from \$77,753 and \$71,624 in the two prior reporting years.
- Respondents indicating an interest in continuing education beyond apprenticeship remained steady at 44%.

WTCS Apprenticeship Enrollment Trend

WTCS enrollments across all apprenticeship programs increased from 6903 to 7588 unduplicated, and 7450 to 7696 duplicated, students by the end of 2018-2019 academic year. That is a 9.9% and 3.3% increase, respectively, in one year. A current mid-year snapshot for 2019-20 is showing 7524 enrolled apprentices. Confirmed actual enrollment for the 2019-20 academic year will not be available until August 2020.

Active WTCS-BAS Apprenticeship Programs, By Sector, Occupation, and College as of January 2019

The master chart of all apprenticeship programs with related instruction offered through the WTCS colleges can be found here via the following link. "Active" is defined as approved programs with enrollments in the past two years. The color-coded chart can be found on the MyWTCS website here: [WTCS Active Apprenticeship Programs March 2020 \(Color Chart\)](#)
