### **Notice of Public Hearing State Plan for Assistive Technology, 2021-2023**

#### **Public Input and Feedback**

Notice is given that the State Assistive Technology Advisory Council will hold public hearings on the draft State Plan for Assistive Technology (AT), 2021-2023.

The Assistive Technology Act of 2004 as amended provides funding to Wisconsin to operate the State Assistive Technology (AT) Program known as WisTech. The State AT Program supports state efforts to improve the provision of assistive technology to individuals with disabilities of all ages through comprehensive, statewide programs that are consumer responsive. The State AT Program makes assistive technology devices and services more available and accessible to individuals with disabilities and their families.

#### **Wisconsin's State Plan for Assistive Technology, 2021-2023**

The AT Advisory Council is requesting consumer and public input on Wisconsin's State Plan for AT, 2021-2023, which will be submitted to the U.S. Department of Health and Human Services, Administration for Community Living (ACL) by July 1, 2022. The AT Advisory Council is accepting feedback from May 2, 2022 through June 30, 2022.

The State Plan for AT serves as a blueprint for how these funds are spent and how State AT Program activities are conducted. The State Plan for AT and other relevant information in advance of the public hearings by visiting the [AT Advisory Council's website \(dhs.wisconsin.gov/atac/state-assistive-technology-plan.htm\)](https://dhs.wisconsin.gov/atac/state-assistive-technology-plan.htm).

Public hearings can be accessed in-person or via teleconference.

Public hearings can be accessed via teleconference by phone or via Zoom.
