Smith, Owen	Bureau of Apprenticeship Standards

- 1. The meeting was called to order at 1:03 p.m.. by Corey Gall, Committee Co-Chair, in conformance with the Wisconsin open meeting laws.
- 2. Mr. Owen Smith recorded attendance. A quorum was present.
- 3. The state committee welcomed one new member, Jake Behringer.

The committee asked how the Bureau determines the number of union and merit shop representatives of the Employer side of the committee. Mr. Smith reviewed that the percentage of union and merit shop representatives should approximate the respective percentages of apprentices.

4. Action Items

a. For action: approve the minutes

The minutes were approved as written.

b. Review the state standards.

Mr. Smith reported that he invites the state committee to review its state standards in full this year to ensure all content, such as recent law changes and policies unique to the committee, is accurate.

Action: several members and Ms. Emrick volunteered for the focus group.

5. Discussion Items

a. Registered apprenticeship during COVID-19

Mr. Smith reiterated that Wisconsin Apprenticeship supports sponsors and training facilities adjusting delivery as needed to ensure the safety of apprentices and staff. Mr. Smith asked whether local committees were experiencing any difficulties that may need Bureau assistance.

The state committee replied that training is proceeding well overall; the training center adjusted several classes to either virtual or hybrid learning, but most training occurs in person.

The state committee asked whether Apprenticeship Training Representatives can attend local apprenticeship committee meetings in person. Mr. Badger explained that ATRs are prohibited from traveling at this time but have many options for participating in local committees virtually.

b. Mandatory registration in BASERS, effective July 1, 2021

Mr. Smith reiterated that, effective July 1, all sponsors must do the following: register in BASERS; register all new contracts in BASERS; and experiment with performing all contract actions through BASERS and notify the Bureau of any technical or administrative difficulties.

The state committee replied that all local committees perform the required actions and believe BASERS works very well.

c. Implementing revisions to CFR 29.30

Mr. Smith reviewed that the Bureau will begin conducting affirmative action plans with local committees once all new staff are training and staff are permitted to travel again.

Attendees did not have questions or comments.

d. Biden Administration Bolsters Registered Apprenticeship

Mr. Smith reviewed the announcement included in the meeting material. The Biden administration discontinued industry-recognized registered apprenticeships and strongly supports registered apprenticeship.

Attendees did not have questions or comments.

e. National Apprenticeship Act 2021

Mr. Smith reviewed the proposed legislation and noted the emphasis on youth apprenticeship and certified pre-apprenticeship, both of which are featured and integrated in Wisconsin.

Attendees did not have questions or comments.

f. Wisconsin Apprenticeship Completer Report

Mr. Smith reviewed the report design and results, noting the data from Sprinklerfitter apprentices. He explained that the data concerns apprentices who completed their training through the Wisconsin Technical College System, not independent training centers.

Attendees complimented the report.

g. Implementing Transition to Trainer and Teaching Transition to Trainer

Mr. Smith explained the requirements for T2T instructors certified prior to 2021 and instructors who want to become certified to teach the course. Ms. Nakkoul reviewed the website that hosts the requirements and schedule of upcoming courses.

Mr. Smith reported that certified instructors who have not taken the required refresher can continue teaching the old curriculum until they complete the refresher.

The training coordinators reported that all instructors have taken the refresher or are scheduled to do so.

h. Supportive services and OJL reimbursement for registered apprentices

Mr. Smith explained the reimbursements available to sponsors and apprentices, the eligibility criteria, and the points of contact. Representatives of WRTP/ BIG STEP commented that graduates of their certified pre-apprenticeships would qualify.

Attendees did not have questions or comments.

i. Applicant outreach campaign and revisions to www.WisconsinApprenticeship.org

Mr. Smith reported that the applicant campaign is underway. The theme is, "Apprenticeship: A Different Kind of Classroom." It targets women and minorities and includes billboards, social media, and electronic media placement. The new brand is, "Wisconsin Apprenticeship," which is an umbrella brand for registered, youth, and certified pre-apprenticeship. The brand and theme will be incorporated into the BAS website, which will be revised to be more user friendly by fall.

Attendees did not have questions or comments.

j. Apprenticeship Completion Award Program

Mr. Smith reported that the program continues to be an example of strong bipartisan support for registered apprenticeship. He reviewed the reimbursement statistics and noted that declined

requests will always exceed accepted requests because all requests received are for more than the maximum reimbursement amount.

Attendees did not have questions or comments.

k. BAS leadership and personnel changes

Mr. Smith reported that new employees Ryan Herber and Raquel Nowak joined the bureau as Apprenticeship Training Representatives.

Attendees did not have questions or comments.

I. 2021 National Apprenticeship Week

Mr. Smith reported that the dates have not been announced by the U.S. Department of Labor. If they are not announced by summer, he will announce Wisconsin Apprenticeship Week for the week November 14.

Attendees did not have questions or comments.

m. Other

Attendees did not have questions or comments.

6. WTCS Update

Mr. Smith encouraged attendees to review the executive summary included in the meeting material.

Attendees did not have questions or comments.

7. Review the program participants.

Participants included 96 apprentices and 19 employers with a contract in active or unassigned status on March 1, 2021.

- 8. The Bureau will schedule the next meeting via online survey.
- 9. The meeting adjourned at 2:03 p.m.

Dear Apprenticeship Employers:

The <u>link</u> is now live to access information on applying for on-the-job learning reimbursements through Wisconsin Apprenticeship grant funds. Follow the instructions offered in the <u>link</u> and review the information in this email regarding eligibility. The deadline for submitting questions regarding this announcement is March 5th at 2 p.m. CST. Awards may be made as soon as March 15th. Applications will be reviewed in the order in which they are received. Questions can be sent to our grants mailbox at <u>dwddetgrants@dwd.wisconsin.gov.</u>

The on-the-job learning reimbursements are part of a Wisconsin grant initiative, using federal grant funds, to help defray the extraordinary costs of training apprentices. Employers may be eligible for up to a \$1,000 reimbursement for each apprentice that they hired between July 1, 2019 and January 30, 2021, as long as the apprentice meets one of the following criteria:

- The apprentice previously completed a Wisconsin Youth Apprenticeship program in any career cluster; or
- The apprentice previously completed a state certified pre-apprenticeship program in any job sector. A
 detailed list of Wisconsin certified pre-apprenticeship programs can be found <u>here</u>; or
- The apprentice was hired to work in the IT, Healthcare, Bio-Tech, Transportation, Agriculture or Financial Services sectors.

Employers may only receive one on-the-job learning reimbursement per apprentice that meets the qualifying criteria and cannot request reimbursement for the same apprentice more than once.

Thank you for being valued Wisconsin apprenticeship employers and sponsors.

Sincerely,

Joshuk A. Johnson

WTCS System-Wide Activity Update September 2021

WTCS Apprenticeship Enrollment Trend

WTCS enrollments across all apprenticeship programs decreased from 7923 to 7630 unduplicated, and 8053 to 7720 duplicated, students by the end of 2020-2021 academic year. That is a 3.7% and 4.1% decrease, respectively, in one year.

Ascendium Education Group Tools of the Trade Scholarships Increased Again in 2021

For the 2021-22 academic year, Ascendium Education Group has committed to awarding an additional 75 scholarships to industrial and construction sector apprentices who receive their related instruction through a WTCS college. A total of 325 awards of \$1500 apiece will be granted statewide in March 2022, with the scholarship application period open from late August until late November 2021.

New MyWTCS Website: https://mywtcs.wtcsystem.edu/

MyWTCS is an intranet site for the Wisconsin Technical College System and stakeholders. Launched in February 2021, the re-designed site includes a new look and improved functionality and features, including an <u>expanded</u> <u>apprenticeship resources section</u>. WTCS systemwide publications, including the annual Apprenticeship Completion Report, can be found on the <u>Wistechcolleges</u> sister-site, under <u>publications</u>.

Preparing to Teach Transition to Trainer (PT2TT2T)

MyWTCS also hosts information, administrative guidance, and upcoming PT2TT2T course offerings for instructors of the BAS-mandated apprentice Transition to Trainer course. As of January 2021, current instructors of Transition to Trainer must complete the 3-hour abridged Preparing to Teach Transition to Trainer course by the end of 2021.

New Proactive Approach to Revisions of Apprenticeship Related Instruction offered through the WTCS

Starting in 2021, the WTCS and BAS adopted a 5-year cycle revision framework for all systemwide apprenticeship curriculum where related instruction is offered at more than one WTCS college. Approximately sixty systemwide apprenticeship programs have a documented curriculum standard model that will form the foundation for review of program and course outcomes and competencies. Apprenticeship faculty, industry sponsors and State Apprenticeship Trade Advisory Committees will be engaged in the review process. This proactive approach will ensure that learning remains current with industry needs and technological advancements. Program assignment within the 5-year cycle will remain fluid.
