Six Conditions of Systems Change

Today's Agenda

- Housekeeping
- How WI Government Works: Presentation from Governor's Office
- Bureau of Equity and Inclusion (DOA) Response to Executive Order #59
- Public comment

Public Records Training Obligation

- Thanks to those who have taken the training
- Reminder to those who have not: this is a required training
- For help, contact DHS Health Equity Council:
 - DHSHealthEquityCouncil@dhs.wisconsin.gov

Public Records Training Clarification

- The training was designed for state employees
- For council members, DHS serves as the “agency” and “records officer”
- All records should be retained throughout council membership; further guidance will be provided when membership ends

Public Records Resources

- “Open Meetings and Public Records Law” presentation to Council members at the Council meeting on September 30, 2020
- Presentation can be found through the [Governor’s Health Equity Council website](#) with meeting materials from the September meeting
