Subject: Supplemental Benefits

September 22, 2023

Dear Mr.Peters,

I was referred to you by the DWD with my query. Will the upcoming Workers Compensation Advisory Council meeting, on September 26th, be considering an increase in supplemental benefits for the permanent totally disabled worker? It has been 7 years since the last increase.

Thank you for taking the time to read my email. I have been a totally disabled Wisconsin worker since 1979 and the supplemental benefit is a crucial asset for myself and my fellow workers.

Sincerely, Brad Harrell

Appleton, WI
