## 2023 ASSEMBLY BILL 398

September 6, 2023 – Introduced by Representatives GUNDRUM, ARMSTRONG, DITTRICH, MURPHY, PENTERMAN, RETTINGER and STEFFEN, cosponsored by Senators STROEBEL, BALLWEG and KNODL. Referred to Committee on Health, Aging and Long-Term Care.

1 AN ACT to amend 102.07 (8) (a); and to create 102.07 (8) (bw), 104.01 (2) (b) 6. 2 and 108.02 (15) (ko) of the statutes; relating to: participants in clinical 3 research trials.

## Analysis by the Legislative Reference Bureau

This bill provides that for the purposes of the minimum wage law and worker's compensation law an individual who is a participant in a clinical research trial and receives remuneration, a stipend, or compensation for participating in the trial is not an employee of the entity that conducts the trial. The bill also provides that such participation is generally not considered covered employment under the unemployment insurance (UI) law. As a consequence, amounts paid by employers for such participation are not subject to UI contribution requirements and are not counted as base period wages for purposes of determining eligibility for UI benefits.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

## The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
