#### **7. Updates and Discussion from/with the WI EMS Office on EMS Education and Training (Helen Pullen).**

Links shared:

- Updated 2023-26 renewal web page.
- Includes staggered start date information (given emergency order 21).
- Education starts October 1, 2020 through June 30, 2023.
- Education between July 1, 2020 and September 30, 2020 will need a waiver (DHS 110.07) for that education to apply in the 2020-23 triennium.
- Send Helen Pullen an email with any questions.
- Hours have changed in the triennium.

Links shared: DHS 110.13(5) ACLS requirement for AEMT.

- This was included in rule in error.
- For the time being, AEMTs must request waiver (about 78 have applied thus far).
- DHS is working on an emergency rule.
- Until then, individuals must request a waiver.
- Contact Helen Pullen with any questions.

#### **8. DHS 110 Discussion**

Items brought forward from special board meeting:

- 110.13 AEMT ACLS
- 110.50 Medical Director Credentials
- Commercial Language
- Trans 309 / Language
- Role Designation 110 E-Licensing
- CEMS language 110.395 (3) PCR/WARDS
- Waiver language
- ACLS – local authority? Take out of rule...

No others to add from the committee

#### **9. State EMS Plan Ideas**

1. Competency based education implementation (2)
2. Standardized preceptor training (2)
3. EMS education heavily reliant of external services – clinical/field (2/5)
4. Investigate sustainable education processes  
(Training local, completion, then train at service – reducing reliance on clinical filed sites)
5. Assure alignment with teaching methods and emerging science to match ALS Exam redesign  
(paramedic/AEMT) (2/5)
6. Collaborate on implementation and standardized tracking of portfolio skills at all levels (2)
7. Scope implementation of changes on an ongoing basis and S&P updates (2/5)
8. Continued concentration of issues Diversity/equity/inclusion in EMS education (2/5)
9. Continue to develop and formalize the EMS student success project – recruitment and preparation of  
potential students entering the EMS profession and evaluate reasons for success/failure of students (2/5)
10. Review/revaluation of curriculums and S&P at (5)
