Department of Health Services

# Next Steps

---

- Release of Final Report – July 2022
- Request: Hold 1-2 Listening Sessions
  - Organize and host 1-2 local community listening sessions with stakeholders and community members
  - Build awareness and support for the Council recommendations

# Other Actions You Can Take

---

- Meet one-on-one with at least 3-4 community leaders, advocacy groups or stakeholders to share the recommendations
- Begin to talk to local media and start to pitch stories
- Prepare public statements and be willing to host a press conference
- Consider submitting an article/op-ed to your local newspaper
- Attend local conferences and meetings to discuss the report
- Meet with local elected officials
- Share the report with as many people as possible
- Post on social media and other outlets

# Member Reflections

---

# Thank you!
