Favor: all  
Opposed: none
3. Rib Fracture Kits presentation from Patti Klosterman (*Informational*)  
Overview of the rib fracture kits implemented by Aurora Oshkosh.  
Questions from the group:
  - Inpatient or ED discharges are these being handed out to? Both.
  - Some have seen this before, and have tried to replicate but cannot get the funding from the hospital. Recommend to connect with Ali.
  - Pneumonia complications? Connect with Ali.
  - Expressed great example of a PI project with pre and post data to demonstrate.
4. Transfer time discussion (*Discussion*)  
Overview of previously discussion on transfer times. State level will keep it with ISS>15. Hospital should determine what works best for them.
5. Corrective actions and loop closure (*Discussion*)  
Reoccurring question, let us know what would be useful.  
Ensure that when you find something, an action is implemented and documented, and the outcome is documented. Including 1:1s.
