

Minority opinions currently included in the Phase 1b priority recommendations:

- Minority opinion, include high risk medical health conditions
 - o Many public comments, but group is large to meet the definition of delaying vaccination for other groups.
- Public Utility Employees (Mary)
 - o The majority of the group either abstained or voted no due to the lack of understanding about the population size. DHS has clarified that the population size is 11,195
 - o Public comment supported the inclusion.
- Public Transit (Janet, Riccardo)
 - o Minority opinions included the addition of ride share and airplane service.
 - o Small volumes of public comment supported this change.
- Non-frontline healthcare Workers (Raj)
 - o Minority opinion for continued inclusion of this group.
 - o Minor public comment addressed both sides of including this group.
