

Revised Template for State Standards

Bureau of Apprenticeship Standards

Overview

Objectives

1. Incorporate revisions from the *Wisconsin Apprenticeship Manual*.
2. Incorporate revisions to federal policies.
3. Identify policies established by the state committee.

Methodology

1. BAS analyzed each section of the current standards.
2. The analysis was validated by the Policy & Standards Subcommittee.
3. The Policy & Standards Subcommittee approved the revised template.

BAS analysis of the current template

1. Does not cite the policies' source, i.e. *Manual* or the committee
2. Groups many policies into sections or categories that do not appear in the *Manual*
3. Includes policies not directly related to state committee operations.

Overview

Analysis of the Revised Template, approved by Policy & Standards Subcommittee

1. Incorporates revised policies from the *Manual* and DOL.
2. Cites policies as established either by the *Manual* or by BAS and the committee.
3. Omits policies indirectly related to state committee operations.

Decisions for the State Committee

1. Verify the policies that BAS identified as established by the committee.
2. Identify policies established by the committee to revise in fall, if needed.
