5. Specific Committee Items for Discussion (*Public Comment*)

- Expansion of committee membership-discussion on how to increase membership.
 - Currently holding one meeting in person/one virtual yearly.
 - Review of trades covered by committee: Millwright/maintenance mechanic well represented. Reviewed representation Industrial pipefitter, Machine repair and Mechatronics for additional membership.
 - Committee would like to see more employee membership on the committee
 - Action: BAS to perform outreach to expand committee membership.
- Discussion of Mechatronics being overseen by this committee. Committee had previously recommended it be moved to E&I Committee, but not approved by BAS Director.
 - Action: BAS will revisit this discussion with both E&I State Committee and this committee in Fall 2025.
- Merc Marine volunteered to host and also suggested MPTC as site for upcoming meetings. NWTC volunteered to host.
- Minimum qualifications for applicant: sponsor can adopt more stringent requirements. Discussion of lower to 17 for early graduates. Carried over item from previous meetings. No quorum but after discussion, BAS took recommendation and lowered age to 17. Updated standards shared. Will be shared with committee members.
- Wage repayment agreements
Liz Pusch provided an overview of recent concerns with sponsors and employers requiring apprentices to sign wage repayment agreements that could affect them in the instance of leaving employment with their assigned employer either within the course of their apprenticeship or after completion. Liz shared a memo that was issued in Feb 2024 outlining the statutory requirement of paid related instruction and the prohibition of requiring the repayment of contract-required PRI. The Advisory Council discussed this item at the February 2025 meeting and subsequently approved language for addition to the WI Apprenticeship Manual to clarify this. Notification will be provided when the Manual update is completed. Sponsors or employers can reach out to BAS for assistance in complying with this requirement, if needed.

This summary counts employers and apprentices, between 3/1/2025 and 3/1/2026 with contract status as Active & Unassigned in occupation(s) associated with this committee.

Report is based on apprentice contracts where:

- Contract sector is 'Industrial'.
- Contract occupation code matches a occupation code assigned to committee.
- Contract sponsor is the employer.

Note: Employers active in more than one occupation or committee can cause Column #3 totals at the Committee or State level to deviate from the summed total of the individual occupation or committee rows.
