1. The meeting was called to order at 10:03 a.m. by Co-Chair Pat Rodriguez, in conformance with the Wisconsin Open Meetings Law.
2. A roll call was conducted. A quorum was present.
3. The committee reviewed the current roster. A lengthy discussion followed after Mr. Smith reported that the the two vacant Employer seats would be given to Associated Builders and Contractors, one to fill an existing vacancy and the other as an additional seat.

The members present strongly disagreed.

Mr. Smith acknowledged that the number of Employer seats per labor affiliation should represent the respective percentage of apprentices. However, he explained, if an affiliation has disproportionate representation across the entire committee, such as a single representative, the Bureau can award an additional Employer seat to ensure "meaningful participation." He reviewed that this policy was implemented by Director Morgan and continued by Director Johnson.

The members present strongly disagreed.

**Action:** *the state committee approved a motion to award the additional Employer seat to a union representative to approximate the percentage of union apprentices.*

#### **4. Action Items**

**a. Elect Employer Co-Chair**

The state committee postponed the election until the 2022 spring meeting.

**b. For action: approve the minutes**

The minutes were approved as written.

**c. Review related instruction as part of five-year cyclical review.**

Ms. Terri Johnson and Ms. Nancy Nakkoul reviewed the proposed revisions to related instruction offered through the Wisconsin Technical College System, not independent training providers. The changes recommended by WTCS faculty are minor changes to below-the-line curriculum, not the program outcomes mandatory for all training providers.

Attendees did not have questions or comments.

**d. Review state standards.**

Mr. Smith reported that that the review has been postponed until the revisions to the *Wisconsin Apprenticeship Manual* conclude. The *Manual* provides 90% of the content of the state standards. The content that is unique to the state committee is always able to be reviewed, e.g. applicant assessment procedures, Exhibit A, related instruction, etc.

Attendees did not have questions or comment.

**5. Discussion Items**

**a. Mandatory registration in BASERS, effective July 1, 2021**

The state committee reported that all local committees are registered in BASERS and register new contracts in BASERS.

**b. Implementing revisions to CFR 29.30**

Mr. Smith reported that BAS has begun quality assessment reviews with some local committees in the Milwaukee area.

**c. Implementing Transition to Trainer and Teaching Transition to Trainer**

Mr. Smith reviewed the WTCS website for the course, which includes the instructor requirements and calendar of upcoming courses. The state committee reported that its instructors for its local committees have either completed the required courses or are scheduled to take them in the fall or early 2022.

**d. Supportive services and OJL reimbursement for registered apprentices**

Mr. Smith reviewed the official correspondence and points of contact included in the meeting material.

Attendees did not have questions or comments.

**e. Applicant outreach campaign and revisions to [www.WisconsinApprenticeship.org](http://www.WisconsinApprenticeship.org)**

Mr. Smith reviewed the revised homepage and webpages dedicated to local committees. He encouraged local committees to email any revisions to him directly.

Dear Apprenticeship Employers:

The [link](#) is now live to access information on applying for on-the-job learning reimbursements through Wisconsin Apprenticeship grant funds. Follow the instructions offered in the [link](#) and review the information in this email regarding eligibility. The deadline for submitting questions regarding this announcement is March 5<sup>th</sup> at 2 p.m. CST. Awards may be made as soon as March 15<sup>th</sup>. Applications will be reviewed in the order in which they are received. Questions can be sent to our grants mailbox at [dwddetgrants@dwd.wisconsin.gov](mailto:dwddetgrants@dwd.wisconsin.gov).

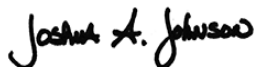

The on-the-job learning reimbursements are part of a Wisconsin grant initiative, using federal grant funds, to help defray the extraordinary costs of training apprentices. Employers may be eligible for up to a \$1,000 reimbursement for each apprentice that they hired between July 1, 2019 and January 30, 2021, as long as the apprentice meets one of the following criteria:

- The apprentice previously completed a Wisconsin Youth Apprenticeship program in any career cluster; or
- The apprentice previously completed a state certified pre-apprenticeship program in any job sector. A detailed list of Wisconsin certified pre-apprenticeship programs can be found [here](#); or
- The apprentice was hired to work in the IT, Healthcare, Bio-Tech, Transportation, Agriculture or Financial Services sectors.

Employers may only receive one on-the-job learning reimbursement per apprentice that meets the qualifying criteria and cannot request reimbursement for the same apprentice more than once.

Thank you for being valued Wisconsin apprenticeship employers and sponsors.

Sincerely,

Joshua Johnson, State Director  
Wisconsin Apprenticeship

## WTCS System-Wide Activity Update September 2021

---

### WTCS Apprenticeship Enrollment Trend

WTCS enrollments across all apprenticeship programs decreased from 7923 to 7630 unduplicated, and 8053 to 7720 duplicated, students by the end of 2020-2021 academic year. That is a 3.7% and 4.1% decrease, respectively, in one year.

### Ascendium Education Group Tools of the Trade Scholarships Increased Again in 2021

For the 2021-22 academic year, Ascendium Education Group has committed to awarding an additional 75 scholarships to industrial and construction sector apprentices who receive their related instruction through a WTCS college. A total of 325 awards of \$1500 apiece will be granted statewide in March 2022, with the scholarship application period open from late August until late November 2021.

### New MyWTCS Website: <https://mywtcs.wtcsystem.edu/>

MyWTCS is an intranet site for the Wisconsin Technical College System and stakeholders. Launched in February 2021, the re-designed site includes a new look and improved functionality and features, including an [expanded apprenticeship resources section](#). WTCS systemwide publications, including the annual Apprenticeship Completion Report, can be found on the [Wistechcolleges](#) sister-site, under [publications](#).

### [Preparing to Teach Transition to Trainer \(PT2TT2T\)](#)

MyWTCS also hosts information, administrative guidance, and upcoming PT2TT2T course offerings for instructors of the BAS-mandated apprentice Transition to Trainer course. As of January 2021, current instructors of Transition to Trainer must complete the 3-hour abridged Preparing to Teach Transition to Trainer course by the end of 2021.

### New Proactive Approach to Revisions of Apprenticeship Related Instruction offered through the WTCS

Starting in 2021, the WTCS and BAS adopted a 5-year cycle revision framework for all systemwide apprenticeship curriculum where related instruction is offered at more than one WTCS college. Approximately sixty systemwide apprenticeship programs have a documented curriculum standard model that will form the foundation for review of program and course outcomes and competencies. Apprenticeship faculty, industry sponsors and State Apprenticeship Trade Advisory Committees will be engaged in the review process. This proactive approach will ensure that learning remains current with industry needs and technological advancements. Program assignment within the 5-year cycle will remain fluid.
