

OPEN MEETING MINUTES

Name of Governmental Body: Wi STAC- Performance Improvement Committee			Attending: See attached. 79 participants.
Date: 9/1/2021	Time Started: 1100	Time Ended: 1200	
Location: Zoom			Presiding Officer: Kristin Braun, Meghan Zakaouanou, and Thomas Bergmann

Minutes

1. Announcements
 - a. CRC recommendation: Trend seen that open fracture (specifically long bone) and IV antibiotic administration are opportunity for improvement for many lately.
 - i. Resources: TQIP best practices, PI opportunity, RTACs
2. Over and Under Triage Review
 - a. Powerpoint from Thomas Bergmann regarding over and under triage
3. Regional Trauma Performance Improvement
 - a. Regional Reports
 - b. Regional input: ED LOS for Transfers, case discussions, mechanism of injury by demographics
 - c. Who is seeing these issues and who can bring them forward?
 - i. Sometimes it's antidotal information- how do we make these decisions based off of data
 - ii. Would this be a way to leverage our registrar on themes that they are seeing, then using a round table discussion
 - d. RTAC Coordinators reports: we have regional reports (currently many issues), Katie has been working on building new reports and fixing the old ones.
 - i. Coordinators will use and present to their RTAC PI group
 - e. Case reviews during regions?
 - i. Previously have, most paused due to COVID
 - ii. What cases are brought to the RTAC level for discussion?
 1. System opportunities, unique cases, big cases
 - f. Better access and reports from the registry itself
 - g. Opportunity for the Regional Trauma Plan
4. Public Comments
 - a. I struggle with over/under triage. When we decide a Level 1 or 2, it is a lot by MOI, but then the patient goes home, and has a ISS of 3. Any suggestions?
 - i. This is where the PI and trends are essential.
 - ii. Common barriers- what is yours?
