*Note: Public comment will occur only when noted,
after committee discussion and prior to committee action.*

1. Call Meeting to Order

- Note Who: Andy Wagner
- Note Time: 1:03 pm

2. Introductions and Record Attendees (in table above)

3. Review Roster

- BAS is reviewing all state committee rosters to ensure membership is up to date. The committee reviewed their current roster. BAS will reach out to those with expired terms for re-nomination or replacement nomination letters.

4. Review and Approve Previous Meeting Minutes

- Note any Changes: none
- Motioned to Approve made by: Jessi Cannizzaro
- Seconded Motion made by: Christina Breitlow

5. Specific Committee Items for Discussion (*Public Comment*)

- **Wage Repayment Agreements** Liz Pusch provided an overview of recent concerns with sponsors and employers requiring apprentices to sign wage repayment agreements that could affect them in the instance of leaving employment with their assigned employer either within the course of their apprenticeship or after completion. Liz shared a memo that was issued in Feb 2024 outlining the statutory requirement of paid related instruction and the prohibition of requiring the repayment of contract-required PRI. The Advisory Council discussed this item at the February 2025 meeting and subsequently approved language for addition to the WI Apprenticeship Manual to clarify this. Notification will be provided when the Manual update is completed. Sponsors or employers can reach out to BAS for assistance in complying with this requirement, if needed.

6. Questions from the Director's Call

- The Director's Call recording is available on the State Committee website.
- A proposal was made to include VitalCog training in the apprenticeship program. WTCS will research this training and alternative options. It will be added to the Council meeting agenda and revisited in the fall Plumbing meeting.

7. WTCS Report

- Mandy Mayek was introduced as the new Director of Apprenticeship & Construction for Wisconsin Technical College System.

8. DSPS Updates

- a. **Plumbing Code Book Supervision Language** - No action was taken on this item yet.
- b. **Update on DSPS Exam Process (Follow-up from Fall Meeting)** – There was improvement noted. Pearson Vue does not have a process in place to allow apprentices to challenge exam questions yet.
- c. **Department of Safety and Professional Services-Update on Licensed Trades Requirements**
The required background check questions implemented for all apprentices in licensed trades are being reviewed by the BAS and DSPS.

- d. **Other** - BAS is updating the Credential Notice language and providing online registration instructions. DSPS clarification on continuing education credits was requested. Apprentice's license and exam support ticket details can be viewed online by entering the PAR number in LicenseE. A standing DSPS issue will remain on the agendas.

9. Other Discussion Items

- Liz Pusch indicated that we would like committee members to send topics for discussion. Any items should be submitted to Director Polk and Liz Pusch at least one month prior to meeting.

10. Review program participants

11. Set Next Meeting Date/Time

- September 30, 2025 at 10 am. Committee members are encouraged to attend the next meeting in person to facilitate better discussions. A virtual option will be available as well.
