

## **Public Notice of an Air Pollution Control Permit Application Review**

### **Facility Description.**

Great Lakes Gas Transmission-Comp Station #6, located at 69720 State Forest Road 241, Iron River, Bayfield County, Wisconsin, FID 804041810, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for the revision of 804041810-P30 for operation of a natural gas pipeline compressor station facility and for the installation and operation of a replacement gas generator for a stationary natural gas-fired turbine unit.

Air pollution control construction permit no. 18-RAB-092

Air pollution control operation permit no. 804041810-P31

### **Application Review.**

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; and at Northeast Region Headquarters, 2984 Shawano Avenue, Green Bay, WI 54313-6727; This information is also available for downloading from the Internet at <http://dnr.wi.gov/topic/AirPermits/Search.html>.

For questions on the permit application, the DNR's analysis and the draft permit prepared by the DNR, or to make arrangements to review the documents at a DNR office, please contact Ronald Binzley at (608) 264-9243 or by e-mail at [Ronald.Binzley@Wisconsin.gov](mailto:Ronald.Binzley@Wisconsin.gov).

This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

### **Public Comments.**

Interested persons wishing to submit written comments on the application or DNR's review of it or wishing to request a public hearing should do so within 30 days of publication of this notice. Posting and Public Comment Deadline dates can also be found on "Air permit public notices" web page located at [http://dnr.wi.gov/cias/am/amexternal/public\\_notices.aspx](http://dnr.wi.gov/cias/am/amexternal/public_notices.aspx). Comments or request for hearing should be sent to:

Wisconsin Department of Natural Resources, Bureau of Air Management, 101 S. Webster Street, Box 7921, Madison, WI 53707-7921. Attn.: Ronald Binzley.

NOTICE IS HEREBY GIVEN that, pursuant to ss. 285.13(1), 285.61(7), and 285.62(5) Wis. Stats., DNR will hold a public hearing to receive public comments on the air pollution control permit application for the construction of the proposed facility modifications. All comments received by DNR on the proposed project will be considered by DNR prior to making its final decision regarding this project.

Notice is further given that the public hearing will be held:

Wednesday, August 1, 2018 at 1:00 PM  
Ashland County Courthouse  
201 Main Street West  
County Board Room (2nd floor)  
Ashland, Wisconsin, 54806

All comments received by the DNR at the public hearing if one is held, and prior to the close of the comment period, will be considered prior to making a final decision regarding the proposed project. After the close of the public comment period, a final decision will be made on whether to issue or deny the air pollution control permit. Information on the public commenting and hearing process is available at <http://dnr.wi.gov/topic/AirPermits/Process.html>.

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.

For Part-70 sources, the revised operation permit will not be issued until the United States Environmental Protection Agency (US EPA) has an opportunity for review. After all comments received during the public comment period have been considered, a proposed revised operation permit will be drafted and sent to the US EPA for review. DNR will post the start date of the US EPA review on the Internet at <http://dnr.wi.gov/topic/AirPermits/Search.html>. Any person may petition the US EPA under 40 CFR Part 70.8(d) within 60 days after the expiration of US EPA's 45-day review period to make an objection to the operation permit revision. DNR will post the deadline for this petition on the Internet at the above address. Unless the US EPA objects in writing to the issuance of the operation permit revision as proposed within US EPA's 45-day review period, DNR will issue the final operation permit revision as proposed.
